

MITCON

One Stop Energy Saving Solution Consultant

ENERGY EFFICIENCY & CONSERVATION CONSULTANCY SERVICES: A PROFILE

1.0 Services Offered

1.1 Energy Audit / Conservation & Management Services

- Project / plant / process detailed energy audits and implementation assistance
- Energy audit instrument hiring services
- Equipment wise energy audits and performance tests
- Demand side management studies

1.2 Energy Conservation / Efficiency Project Services

- Third party certification / monitoring & verification of energy efficiency projects and energy efficient products / equipments.
- Assistance in performance contracting for energy efficiency projects with vendors
- Soft loan and subsidy syndication services for implementation of energy efficiency / conservation projects / equipments
- Basic and detailed engineering services for tailor-made energy conservation projects
- Pre-investment, pre-contract and post-contract project management consultancy services for energy efficiency / conservation projects
- Consultancy / facilitation services for carbon credits from energy efficiency projects

1.3 Macro / Other Services

- Benchmarking studies
- Corporate energy planning & energy costing
- Recommendation of energy mix / purchase policy for optimum energy costs
- Technology sourcing for energy efficiency / conservation projects
- Macro and policy studies
- Capacity building and customized training packages
- Safety and maintenance audits

1.4 Energy Service Company (ESCO) Services

- Implementation assistance for energy saving projects / systems on either energy saving – sharing basis or guaranteed energy saving basis or deferred payment

2.0 Credentials

- Dedicatedly working for promotion, development, implementation and follow through for improvement in energy efficiency & conservation, since last 24 years.
- “Boiler Room to Board Room” approach: Comprehensive consultancy services under one roof.
- Leading energy auditor for various sectors like industrial, Government and commercial.
- Proven track record of more than 1000 energy audits, safety audits, water audits, DSM studies, bench marking studies, PAT advisory, implementation assistance and other related assignments in various sectors, undertaken in India, Thailand, Indonesia, Bahrain, Nepal, Spain, Belgium and Seychelles.
- Experienced and dedicated team of professionals
- State of art & latest energy audit measuring instrument kits
- In-house detailed design & engineering lab.
- Bureau of Energy Efficiency (BEE) accredited MITCON as Accredited / Certified Energy Auditor and Energy Service Company (ESCO) : CARE Grade 02 Rating (Highest Ability)
- Empaneled Consultants with –
 - ✓ Bureau of Energy Efficiency : Certified / Accredited Energy Auditors
 - ✓ Bureau of Energy Efficiency : Empaneled Energy Service Company (ESCO) - CARE 02 Rating (Highest Ability)
 - ✓ Energy Efficiency Services Ltd. : Energy Auditor
 - ✓ Petroleum Conservation Research Association : Energy Auditor
 - ✓ Maharashtra Energy Development Agency : Energy Auditor
 - ✓ Gujarat Energy Development Agency : Energy Auditor
 - ✓ Chief Electrical Inspector of Gujarat : Energy Auditor
 - ✓ Life Insurance Corporation
 - ✓ India SME Technology Services Ltd.
 - ✓ Energy Management Center, Kerala : Energy Audit Firm
