- (a) any breach or alleged breach by the Company of its obligations under this Agreement, any of the agreements entered into in relation to the Issue, any Issue Documents and /or the CAF and /or the Engagement Letter and/or applicable laws;
- (b) any untrue statement or alleged untrue statement of a material fact contained in the Issue Documents or the omission or the alleged omission thereof of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made or arising from this engagement, not misleading;
- (c) to the extent of any aggregate amount paid in settlement of any litigation, or any investigation or proceeding by any governmental agency or body, commenced, or of any claim whatsoever arising out of or based upon (i) any such untrue statement or omission or any such alleged untrue statement or omission; provided that (subject to Clause 15.2 hereof) any such settlement is effected with the written consent of the Company; or (ii) any breach of the representations, warranties or covenants contained in this Agreement; provided that (subject to Clause 15.2 hereof) any such settlement is effected with the written consent of the Company;
- (d) any correspondence with the Stock Exchanges or any other Governmental Authority in connection with the Issue or any written information provided by the Company to any Indemnified Party to enable such Indemnified Party to correspond, on behalf of the Company with the Stock Exchanges or any other regulatory authorities in connection with the Issue; and
- (e) any of the warranties, representations or undertakings in this Agreement being untrue or incorrect or any third-party claims;

and agrees to reimburse each such Indemnified Party, as suffered or incurred, for any legal or other expenses reasonably incurred by it in connection with investigating or defending any such loss, claim, damage, liability, action, penalty, expense, suit or proceeding.

Notwithstanding anything contained in this Agreement, the Company shall not be liable to indemnify the Lead Managers for any loss, claims, damages and liabilities directly attributable to (a) the bad faith, gross negligence or willful misconduct of the Lead Managers, as may be finally determined by an arbitral tribunal or court of competent jurisdiction, or (b) any untrue statement or untrue statement of a material fact or omission relating to information about the Lead Managers, and provided to the Company by the Lead Managers, in writing, expressly for inclusion in the Issue Documents, which the Parties hereto agree, shall only consist of the names of the Lead Managers, their respective contact details and SEBI registration numbers.

- 15.2 Promptly after receipt by the Indemnified Party of notice of the commencement of any action, such Indemnified Party will, notify the Company in writing of the commencement thereof; but the failure so

to notify the Company, (i) will not relieve it from liability above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the Company of substantial rights and defenses, and (ii) will not, in any event, relieve the Company from any obligations to any Indemnified Party. The Indemnified Party shall be entitled to appoint counsel (including local counsel) of the Company's choice at the Company's expense to represent the Indemnified Party in any action for which indemnification is sought. Notwithstanding the Company's election to appoint counsel (including local counsel) to represent the Indemnified Party in an action, the Indemnified Party shall have the right to employ separate counsel (including local counsel), and the Company shall bear the reasonable fees, costs and expenses of such separate counsel if, (i) the use of counsel chosen by the Company to represent the Indemnified Party would present such counsel with a conflict of interest; (ii) the actual or potential defendants in, or targets of, any such action include both the Indemnified Party and the Company and the Indemnified Party shall have reasonably concluded that there may be legal defenses available to it and/or other Indemnified Parties that are different from or additional to those available to the Company; (iii) the Company shall not have employed counsel satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of the institution of such action; or (iv) the Company shall authorise the Indemnified Party to employ separate counsel at the expense of the Company.

15.3 To the extent the indemnification provided for in Clause 15.1 is unavailable to an Indemnified Party or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Party under such paragraph, in lieu of indemnifying such Indemnified Party thereunder shall contribute to the amount paid or payable by such Indemnified Party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Lead Managers on the other from the Issue. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law, then each Indemnifying Party shall contribute to such amount paid or payable by such Indemnified Party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and the Lead Managers on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Lead Managers on the other shall be deemed to be in the same proportion as the total net proceeds from the issue of the Equity Shares purchased under this Agreement (before deducting expenses) received by the Company bear to the total underwriting fees received by the Lead Managers with respect to the Equity Shares purchased under this Agreement as set forth in this Agreement. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or the Lead Managers on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Lead Managers agree that it would not be just and equitable if contributions pursuant to this Clause 15.3 were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to above in this Clause 15.3. The amount paid or payable by an Indemnified Party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this Clause 15.3 shall be deemed to include any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating or defending any such action or claim. No person guilty of fraudulent misrepresentation shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

15.4 The remedies provided for in this Clause 15 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any Indemnified Party at law or in equity.

15.5 The indemnity contained in this Clause 15 and the representations and warranties of the Company set forth in this Agreement shall survive and remain operative and in full force and effect regardless of, (a) any termination of this Agreement, (b) any investigation made by or on behalf of the Lead Managers, or any person controlling the Lead Managers or by or on behalf of the Company, its officers or directors or any other person controlling the Company, and (c) acceptance of and payment for any of the Equity Shares.

The Company shall not, without the prior written consent of the Indemnified Party, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Party is or could have been a party and indemnity could have been sought hereunder by such Indemnified Party, unless such settlement includes an unconditional release of such Indemnified Party from all liability on claims that are the subject matter of such proceeding.

15.6 The termination of this Agreement by the Parties shall be without prejudice to any rights or remedies of the Indemnified Party for, or in respect of, any breach or non-performance by the Company of its obligations under this Agreement prior to such termination.

15.7 Notwithstanding the provisions of this Clause 15, the Company shall not recover from the Lead Manager, in contract or tort, under statute or otherwise, aggregate damages in excess of the fees actually paid for the Services to the Lead Managers that directly caused the loss in connection with claims arising out of this Agreement or otherwise relating to the Services.
